Aniket Biswas

Music Composer | B.Tech in Computer Science & Engineering
(Business Systems) | 4## C | 5## C++
Hooghly, West Bengal, India

Summary

I am a self taught music composer, producer and computer
programmer. From childhood I always loved playing piano, listening
to musics along with learning coding, building apps, writing
programs.

I am very interested in Computer Science and love doing
modification with Operating Systems and softwares, writing and
solving programs, learning low level languages.

Technical Skills--->
4## Badge in C && 5## Badge in C++ [Hacker Rank].
Pursuing B.Tech in Computer Science & Engineering (Business
Systems) aka CSBS.
Learned C programming (with core Computer Science concepts like
memory allocations and handling, pre-processors, compilers, data
structures).
Learned Linux & MacOS Bash Scripting [Unix/Unix like enviorment].
Learning C++, DSA, OOP.
Experience working with Windows, Linux [Ubuntu (as secondary),
Fedora], macOS [as primary (daily driving)].

Other Skills--->
Music Composing (Orchestral Arrangements/Piano Pieces/Ambient)
& Production, Mixing.
Learned Music Theory (Western Classical).
Learning full symphony orchestration & arrangements , advanced
harmonization & transposition.
Love tinkering with electronic stuffs, building and modifying them.

Other details--->
I have over 280K streams across all streaming platforms including
YouTube, Amazon Music & Spotify with over 64K, 114K & 57K
streams respectively.

Education

Academy of Technology
B.Tech in Computer Science & Engineering (Business Systems) · (October 2022 - December 2026)

ELITE CO-ED (H.S.)
Secondary & Higher Secondary, Science · (April 2022)
